12. MISCELLANEOUS

12.1 Notices. Any notice or other communication required or permitted to be given hereunder shall be in writing and shall be sufficiently given if hand delivered, couriered, sent by facsimile transmission, or sent by

registered mail, to the addresses or to such other addresses as the parties may advise each other from time to time in writing. Any such notice or other communication shall be in writing and shall be deemed to have been received by the parties (a) on the date of delivery if hand delivered or couriered; (b) on the next business day with proof of transmission if sent by facsimile; or (c) upon the fifth day following the first post mark if sent by registered mail, provided there is no strike by postal employees in effect or other circumstances delaying mail delivery, in which case notice shall be hand delivered, couriered or given by facsimile.

12.2 Governing Law. The laws of the state of Oregon (excluding its conflict of laws provisions) shall govern this Agreement. The Parties agree that any action arising under or relating to the Agreement shall lie within the exclusive jurisdiction of the state and federal courts located in Multnomah County, Oregon. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods is excluded from application to this Agreement. Each party reserves the right, exercisable only where such party reasonably believes the circumstances justify immediate relief, to obtain temporary restraining orders and temporary, preliminary or permanent injunctive relief from a court of competent jurisdiction. This Section shall survive the termination or expiration of this Agreement.

12.3 Survival. The provisions of Sections 4.04, 5, 6, 7, 8, 9, 11 and 12 and any provisions which by their nature would be intended to be applicable following any termination or expiration of this Agreement shall survive any termination or expiration of this Agreement until expressly waived in writing by the party for whom they are of benefit or terminated by a further written agreement of the parties.

12.4 Reserved.

12.5 Severability. If any provision of this Agreement is declared by a court of competent jurisdiction to be invalid, illegal, or unenforceable, such provision or part thereof which is necessary to render the provision valid, legal and enforceable, shall be severed from the Agreement and the other provisions and the remaining part of that provision shall remain in full force and effect, provided that the essential bargained-for performance of the parties shall not thereby have been impaired.

12.6 Further Assurances. The parties agree to do all such things and to execute such further documents as may reasonably be required to give full effect to this Agreement.

12.7 Entire Agreement. This Agreement, including any relevant Quote or Statement of Work, constitutes the entire agreement between the parties concerning the subject matter hereof and cancels and supersedes any prior understandings, statements, representations, warranties, discussions, negotiations, commitments and agreements both oral and written between the parties hereto with respect thereto, whether oral or in writing. There are no representations, warranties, terms, conditions, undertakings or collateral agreements expressed, implied or statutory, between

the parties other than as expressly set forth in this Agreement. In the event of a conflict between Professional Services Terms and Conditions and an SOW or the services description set forth in the relevant iGrafx quote, the SOW or the relevant iGrafx quote will govern.

12.8 Remedies. Unless expressly stated otherwise, the remedies expressly stated in this Agreement shall be in addition to and not in substitution for those generally available at law or in equity.

12.9 Waiver. No term or provision hereof shall be deemed waived and no breach excused, unless such waiver or consent excusing the breach shall be in writing and signed by an authorized officer of the waiving party. A waiver by a party of any provision of this Agreement shall not be construed as a waiver of the further breach of the same provision. Failure by iGrafx to insist on strict performance or to exercise a right when entitled does not prevent iGrafx from doing so at a later time, either in relation to that default or a later one.

12.10 Assignment. This Agreement and the rights granted hereunder shall not be assigned, encumbered by security interest or otherwise transferred, by operation of law or otherwise, by Customer without the prior written consent of iGrafx. iGrafx may assign this Agreement at any time.

12.11 Reserved.

12.12 Publicity. The Customer agrees that iGrafx may include Customer's trade name and logo in publicly displayed customer lists that appear on iGrafx's website and in other iGrafx sales and marketing materials.

12.13 Independent Parties. The parties to this Agreement are independent contractors. No relationship of principal to agent, master to servant, employer to employee or franchisor to franchisee is hereby established or intended to be established between the parties. Neither party shall have any right, power or authority to assume, create or incur any expenses, liability or obligation, express or implied, on behalf of the other, except as expressly provided herein.

12.14 Amendment. All modifications and/or amendments to this Agreement require a mutual written agreement signed by authorized signing officers of both parties.

12.15 Force Majeure. Delays in or failure of performance by either party under this Agreement shall not constitute default hereunder nor give rise to any claim for damages if and to the extent caused by occurrences beyond the control of the party affected, including, but not limited to, decrees of Government, acts of God, strikes or other concerted acts of workers, inability to procure materials or labor, fires, floods, explosions, riots, war, acts of terrorism, rebellion, sabotage and atomic or nuclear incidents, epidemics, severe weather, fire, earthquakes or default of a common carrier, always provided that the party so relieved of its obligations shall take reasonable steps to prevent, correct or amend such act or event which renders such obligations impossible ("Force Majeure"), but lack of finances shall in no event be deemed to be cause beyond a party's control.

In the event that performance of this Agreement in the reasonable opinion of either party is made impossible by Force Majeure, then such party shall immediately notify the other in a writing detailing the commencement and nature of such cause. In the event such Force Majeure continues beyond sixty (60) days, iGrafx shall either (a) terminate this Agreement, or (b) authorize Customer to complete performance of this Agreement with such adjustments as are required by the existence of the Force Majeure and are agreed upon by the parties.

- 12.16 Enurement. This Agreement shall enure to the benefit of and be binding upon the parties and their respective successors and permitted assigns.
- 12.17 Contracts. Customer is not authorized to enter into any contracts, agreements or other obligations on behalf of iGrafx or its subsidiaries.
- 12.18 Headings. The division of this Agreement into Articles and Sections and the insertion of headings and titles are for convenience of reference only and shall not affect the construction or interpretation of this Agreement.
