iGrafx Announces Appointment of Joel Trammell to Chief Executive Officer

Austin, TX - October 1st, 2020 – iGrafx, a world leader in digital business transformation, announced the appointment of Joel Trammell to Chief Executive Officer, effective immediately.

Joel comes to iGrafx with more than 30 years' experience leading technology companies. His background includes founding Khorus, a company that provides a business management system for organizational leaders. He also recently served as the CEO of Black Box Corporation, a large network systems provider. His vast experience with technology companies will help iGrafx continue to lead in the business transformation space and further establish iGrafx as the leading solution to connect strategy to execution, mitigate risk, ensure compliance and provide a framework for governance and continued business improvement.

About iGrafx

iGrafx believes that process is at the center of everything, and helps the largest, most complex enterprises around the world convert their business processes into a portfolio of valuable assets. The iGrafx Business Transformation Platform is the world's most comprehensive, supporting RPA and workflow automation, customer journey, governance, risk, compliance, and more, as well as SaaS and private cloud deployment. It is also the most scalable, currently accommodating the largest, global enterprise requirements. iGrafx possesses and shares 400+ years of process passion.
