

PRESS RELEASE

iGrafx Named Best Compliance Management System of 2021 by Digital.com

The company was ranked among the most reliable solutions to help monitor and audit business processes

Tualatin, OR – [Digital.com](https://digital.com), a leading independent review website for small business online tools, products, and services, has named iGrafx to its list of the best compliance management systems (CMS) of 2021. The top platforms were evaluated based on core features and reporting tools.

iGrafx and other solutions were required to support a variety of compliance types from different industries and government regulators. Experts at Digital.com also selected platforms with tools that can effectively manage document and policy creation, risk monitoring, issue resolution, and audit completion. Reporting capabilities are also critical for maintaining accuracy and credibility.

Digital.com's research team conducted a 40-hour assessment of over 70 solutions. To access the complete list of best compliance management systems, please visit
